

Patti's

THAT SPECIAL PLACE  
WHERE FRIENDS BRING FRIENDS

*A* As with all establishments, there is a true homegrown family history at its core – seems one thing just leads to another. So, it goes with our Patti's 1880's Settlement.

Our family traveled all over the country and abroad. Dad came to Grand Rivers in 1975 because of flooding and stayed in the little fishing camp called Newcomb's Modern Cabins – a 6-unit cinder block motel. He fell in love with the beauty of the Land Between the Lakes area of Western Kentucky. Mom visited and felt the same love of the area, this led to my parents selling their little Florida home. With their profits of \$4,000.00 they migrated to Kentucky to buy this rustic little dot on the map (six units with kitchenettes for \$19,000.00) which at that time, rented for \$11.55 a night.

Over the next several years, Mom ran the little motel and dad worked on the road for the federal government sending money home. With time, Mom upgraded the motel using western cedar, as it was cheap then, this is where our look originated. In 1976, Mom added a living room and a bathroom with a clawfoot tub. Later that year I received a call from mom telling me she wanted to open "Hamburger Patti's Ice Cream Parlor." Dad wanted me to leave graduate school, my life and a new home in Los Angeles to start a questionable enterprise with him and mom, I responded "thank you but no thank you." A few weeks later Dad reached out to me to sweeten the deal. He said, "I'll give you 50% of the business that you are able to build within the next 5 years." Again, my response was, "Dad, you are offering me a 50% of a non-existent hamburger and ice cream parlor in a town that needs lots of attention and only has 350 residents. I don't think so!"

Well, the rest is history. Dad was persistent and so in 1977, Mike and I, sold our Los Angeles home and moved to Kentucky to help Mom pursue her dream and vision. Dad, Mike and I continued to work other jobs to help support our venture and over the next two years, the restaurant seemed to take on a life of its own.

Our living room mentioned above was our first and only dining room with only 20 seats that first year. We were forever knocking out motel walls and adding rooms to accommodate the growing business.

In 1990 we built a new kitchen and added another restaurant at the end, it was named "Mr. Bills" after dad. It started out with specialties of its own like Baby Back Ribs, only to evolve into additional dining rooms for Patti's. Gardens grew and menus evolved. Gift shops became an integral part of the operation. Decorations became ever more elaborate. We became a big family in now a town of 353 residents.

On February 5, 2018, our restaurant was devastated by a fire. Fortunately, it was early morning and few employees had arrived. On August 2, 2018, we had a groundbreaking ceremony to start anew. During the absence of the restaurant, we built an ice cream parlor, remodeled a coffee shop to serve sandwiches and pies, bought a food truck and began serving our most requested menu items under a large tent.

Between these new ventures and the gift shops in the Settlement, we were able to persevere.

Today we look back and know that Mom, who passed away in 1997, and Dad, lost in 2000, are happily looking down on us. The memories live on today as guests stop by for a meal at Mom's table. She was a gracious lady who loved her friends and family more than anything. We welcome you all to her home and to her table. Thank you so much for being a part of our story.
